

BACKPACKS FOR SUCCESS!

Preparing for a brighter tomorrow

Why Join Backpacks for Success!?

- Poverty affects roughly 100,000 children each day in Orange County.
- 78% of low-income students start the school year with no or inadequate school supplies, putting the student and the teacher at a disadvantage from the very first day of school.
- Education officials have stated that there are significant numbers of middle school children that never even make it to high school.
- Children living in poverty should have an equal opportunity in education which begins by first making sure they have the tools that are vital to their success!

Our Goal!

- Backpacks for Success! will provide **2,000** students in underserved and disadvantaged Orange County School Districts with fully supplied backpacks from donor businesses and organizations.
- Eligible K-12 students will receive a backpack with: pencils, erasers, colored pencils, crayons, glue sticks, paper, and other grade appropriate items. Backpacks and supplies will be distributed in **mid-August!**

We Need Your Help!
