Love Anaheim AUHSD Serve-A-Thon Day

Anaheim/Stanton, CA – January 8, 2018 – Community Action Partnership of Orange County (in partnership with Love Anaheim and Dale Junior High School) is excited to announce community members making their “day off” a “day on” with a Day of Service to clean up trash on the lots at the corners of Pacific Street and Magnolia Avenue. In addition, community members will be doing general clean up as well as building planter boxes at the Tina Pacific Miracle Garden.

There are many benefits of having a garden available in a community. The Tina Pacific Miracle Garden, which borders the cities of Anaheim and Stanton, provides local residents and families without land of their own the opportunity to produce food. It also provides a place for gardeners to share knowledge and skills as well as provide a sense of community. The Tina Pacific Miracle Garden is located near Dale Junior High School, serving both staff and students who live local to the garden.

Love Anaheim is a multi-sector service project movement with the goal of loving and serving Anaheim. It features four main service project events, generally one per quarter of the year, that will match willing leaders, volunteers, and funding to accomplish a wide range of need based projects. Love Anaheim has included the Tina Pacific Miracle Garden on their project list on several occasions to help maintain the garden.

There will be a kick off rally on Monday, January 15th from 8:30am to 9:00am at Dale Junior High School located at 900 S. Dale Avenue, Anaheim, CA 92804. From there, community members will be traveling to the corner of Pacific Avenue and Magnolia Avenue (10701 S. Magnolia Avenue, Anaheim, CA 92804) and working until 11:30am. Visit Love Anaheim’s project list for more information at www.loveanaheim.org
