Capital Group Gives Back to Community

Community Action Partnership of Orange County Receives Capital Group Grant to help OC Farm Program

Garden Grove, CA – September 20, 2017: Community Action Partnership of Orange County (CAPOC) recently received a grant from Capital Group in the amount of \$15,000. This grant will help support CAPOC's OC Farm to Family Program.

Every day, thousands of low-income California families are receiving a healthy bag of surplus fruits and vegetables through Farm to Family, an exciting project of the California Association of Food Banks. Farm to Family brings together growers and packers with food banks and low-income Californians.

Mark Lowry, Director of the OC Food Bank, states, "Capital Group is a leader and 'Change Agent' in our community. Their \$15,000 donation to the OC Food Bank is providing 135,000 pounds of fresh fruits and vegetables to approximately 4,500 vulnerable families in Orange County; having a positive impact on their health and wellbeing."
