

Thank you for your support and interest in Community Action Partnership of Orange County (CAP OC), an organization dedicated to ending hunger and poverty in the region. Thanks to your support we can provide life changing programs for thousands of OC families who are in need of a helping hand.

The support of the local business community is critical to ending some of the biggest challenges in our communities; from hunger, unemployment, to preparing youth for the future workforce, family disruption, mental health and so much more. If all of us join together we will have the ability to help fight some of the conditions that exacerbate poverty in Orange County.

Poverty is lack of income and resources for individuals to ensure sustainable livelihoods. Its symptoms include hunger, malnutrition, limited access to education, basic services, and social discrimination. CAP OC believes and aims to achieve the Sustainable Development Goal of **No Poverty** and **Zero Hunger** by 2030.

This brochure serves as a guide for corporations to engage in opportunities to support this goal. By participating in an annual sponsorship, your organization will receive recognition and benefits all while engaging your employees to give back to the communities they live, work and play in.

NO **POVERTY**
